HALLOWEEN

Thank you to Home & School for providing snacks for our students this year!
Thank you to Mrs. Wigmore and her work with the ***Halloween Gym***.
Thank you to our Kindergarten classes for judging the Halloween door decorating contest and doing reverse Trick or Treat to all of the classes.

DRESS FOR THE WEATHER

It is important for students to have outdoor play to develop motor skills, strength and coordination. It also develops important social skills and communication skills and helps with our mental well-being and focus.We know it's important, so we will be outside for recess unless it is extreme weather.

Please ensure your child is dressed for the weather. Example: This time of year there are many calls for hats and mittens in the morning.

Free White Milk – All December School days

Through a generous donation from the **16 People Who Care** group Queen Elizabeth will be able to offer free white milk to any student who wants one at lunch time throughout the month of December.

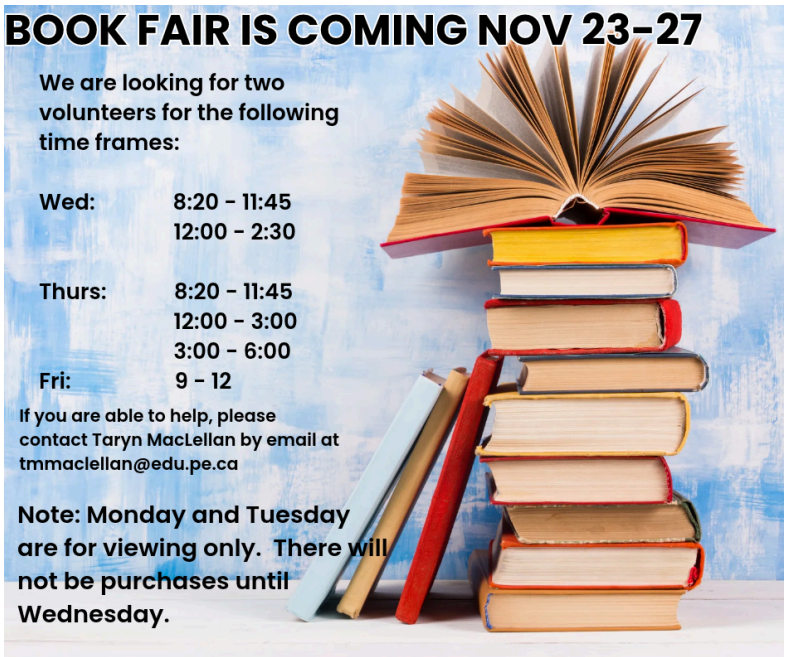

When ordering hot lunches for the month of December parents will not see white milk as an ordering option. The school will send out information relating to the free white milk soon. If your child would prefer a chocolate milk, parents are welcome to simply continue ordering and paying it.

If by chance a family has already ordered and paid for white milk for December that order has been cancelled and a credit applied.

If you have any questions, please email jngamble@edu.pe.ca

FUNDRAISER

Thank You for a Successful Fundraiser! Thanks to your efforts and generosity, the fundraiser was a resounding success! We raised more than $6000!

The money raised directly enhances our school environment and provides enriching opportunities for every student. Here is a look at how some of these funds will be put to work:

- Student Recognition & Rewards: Purchasing birthday treasures for students, as well as rewards and prizes for positive behavior interventions, the Seven Sacred Teachings, school challenges, and engaging activities like our inflatable races.
- Guest Presenters & Events: Bringing in special guests and presenters, such as our Indigenous speakers and facilitators for Multicultural Days, to inspire and provide additional learning opportunities.
- Extracurricular Programs: Supporting our music program with funds for instruments, registration and transportation fees for sporting activities such as cross-country and track.
- Classroom & Sensory Resources: Providing extra learning enhancements that go beyond basic school supplies, including specialized resources and supports for students with additional learning and sensory needs.

Your support with this fundraiser does not go unnoticed—it ensures we have everything we need to support our students throughout the school year. Thank you for your continued partnership and commitment to our school community!

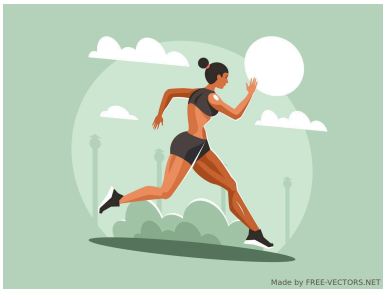

A special shoutout and congratulations to 1A (Kara Sabean's class) for selling the most overall and winning the ice cream party! Well done!
